Case No. 8442

ORDER DENYING PETITION FOR RESCISSION OF  
ORDER OF SUSPENSION AND INVESTIGATION

By petition filed November 2, 1966, General Telephone Company of California seeks rescission and modification of this Commission's Order of Suspension and Investigation, issued June 8, 1966, respecting Special Condition 44.f of its Tariff Sheet No. 11909-T, on the grounds that the statutory time limit of suspension (October 10, 1966) has passed without action by the Commission.

By order issued August 2, 1966, the time of suspension was extended to and including April 10, 1967. Said order extending the time of suspension was served upon petitioner on August 24, 1966, as evidenced by a receipt of its delivery signed by petitioner's agent on such date.

Good cause appearing,

IT IS ORDERED that the aforesaid petition, filed November 2, 1966, is hereby denied.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 29<sup>th</sup> day of NOVEMBER, 1966.
