

ORIGINALDecision No. 71702

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
 THE COUNTY OF YUBA, a County of the
 State of California, for the con-
 struction of grade separation struc-
 ture at the Southern Pacific Company
 railroad tracks at North Beale Road
 in the County of Yuba, State of
 California, at Southern Pacific
 Company Crossing C-139.3.

Application No. 46011

SUPPLEMENTAL AND INTERIM ORDER

Good cause appearing, and pending further order of the
 Commission,

IT IS ORDERED that the County of Yuba and the Southern
 Pacific Company are authorized to install facilities for an emergency
 vehicular crossing at Hammonton Road and the Southern Pacific Company,
 C-139.0. Construction of said crossing shall be equal or superior to
 Standard No. 2 of General Order No. 72, and of a width to conform to
 the portion of the road now graded. The facilities for the vehicular
 crossing shall be barricaded so as to effectively prevent public use
 and travel.

IT IS FURTHER ORDERED that the County of Yuba may open the
 Hammonton Road crossing to public use and travel only on an emergency
 and temporary basis under the following conditions:

1. The Board of Supervisors or the County Road Commissioner
 declare that an emergency exists.
2. The crossing be protected by a deputy sheriff or other
 uniformed officer during the time the barricades are removed and the
 crossing is open to travel.

3. The Southern Pacific Company be notified immediately by the County whenever the crossing may be opened.

4. The Commission be notified in writing within ten days of each opening of the crossing, together with the date and time opened, the duration of opening and the reason therefor.

5. The crossing be closed and barricaded as soon as the emergency has passed.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 13th day of DECEMBER, 1966.
