Decision No. 71854

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of the City of Manteca
to construct a grade crossing across
the right of way of the Tidewater
Southern Railway Company approximately
one hundred (100) feet westerly of the
west boundary of Main Street, a city
street located approximately three
hundred (300) feet westerly of the
Tidewater Southern Station.

Application No. 46820

THIRD ORDER EXTENDING TIME

It appears that negotiations between the City of Manteca, the Tidewater Southern Railway Company and Southern Pacific Company are not yet complete. It therefore seems reasonable to extend the time for completion of these negotiations for an additional ninety days. Therefore,

IT IS ORDERED that the time established by ordering paragraph No. 3 of the Order Setting Aside Submission herein, dated February 15, 1966 is hereby extended to and including March 31, 1967.

In all other respects said Order Setting Aside Submission is reaffirmed and is in full force and effect.

Dated at San Francisco, California, this 17th
day of JANUARY, 1967.
