Decision No. 72014

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

An investigation on the Commission's
own motion into the operations, rates,
and practices of DIVERSIFIED ENTER-
PRISES, INC., a corporation.

Case No. 8490

ORDER MODIFYING DECISION NO. 71514

Respondent filed a letter on January 17, 1967, wherein it requests authority to pay the balance of the fine imposed by ordering paragraph 1 of Decision No. 71514, dated November 9, 1966, in monthly installments. A check for \$500.00 accompanied the letter. The balance due on the fine is \$6,124.94. The time within which payment is due was extended to February 28, 1967 by Decision No. 71872.

The letter asserts that respondent is taking all available steps to collect the undercharges ordered to be collected by Decision No. 71514; that it will require time to collect said undercharges; that respondent does not have sufficient funds available at this time to pay the entire amount due in a single payment; and that there are no immediate prospects for an improvement in respondent's financial position.

It appears to the Commission that respondent should be authorized to pay the balance of said fine in monthly installments as provided in the order which follows.

IT IS ORDERED that the balance of \$6,124.94 remaining to be paid on the fine imposed by Decision No. 71514, dated November 9, 1966, as amended, may be paid in seventeen monthly installments of

C. 8490 HJH

\$350.00 each and one last installment of \$174.94 with the first installment payment due on March 1, 1967 and each succeeding payment due on the first day of each month thereafter.

In all other respects Decision No. 71514 shall remain in full force and effect.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 15th day of FEBRUARY, 1967.
