Case No. 8442

ORDER DISCONTINUING INVESTIGATION

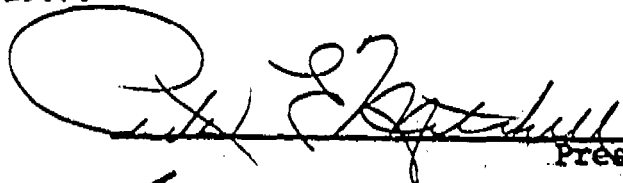

This matter (Case No. 8442) was instituted on the Commission's own motion, following a tariff filing by General Telephone Company of California, in order to determine the reasonableness of certain tariff clauses purporting to limit the liability of such utility. By order issued February 15, 1967, a general investigation was instituted into the reasonableness of such clauses as contained within the tariffs of all telephone corporations, such investigation being Case No. 8593. General Telephone Company of California is a respondent in said Case No. 8593. It is appropriate that the investigation of its tariffs contemplated by Case No. 8442 be undertaken in connection with Case No. 8593. Thus, Case No. 8442 becomes unnecessary and may be terminated; accordingly,

C.8442 nb

IT IS ORDERED that the suspension and investigation ordered in Case No. 8442 on June 8, 1966, is hereby terminated and Case No. 8442 discontinued.

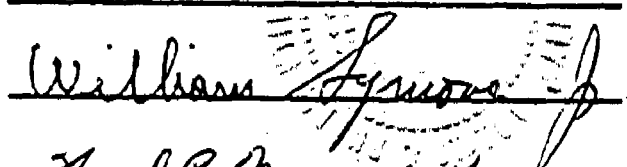

The effective date of this order shall be the date hereof.

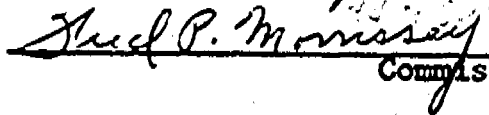

Dated at San Francisco, California, this 7th day of MARCH, 1967.
