Decision No. 72275

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of investigation on the
Commission's own motion into the
operations, rates, charges and practices
of FRANK POUNDS, an individual, doing
business as CENTRAL VALLEY TRANSPORT
COMPANY.

Case No. 8115

ORDER EXTENDING TIME FOR PAYMENT OF FINE

Decision No. 71739, herein dated December 21, 1966
ordered the respondent to pay a fine of \$6,207.61, not later than
February 5, 1967.

The Commission received a letter dated January 5, 1967
from the respondent wherein he advised that his hauling is seasonal
and starts in April; that heavy taxes and license fees become due
in the months of January through March and that the undercharge
collections out of which most of the fine is to be paid will not
start coming in for several weeks; it was requested that payment
of the fine be deferred until April 5, 1967, when \$1,000 can be
paid, and that the remainder of the fine be paid in \$500 monthly
installments.

Respondent's request was held in abeyance during the
pendancy of his petition for rehearing which stayed the effect of
Decision No. 71739.
