DISSENTING OPINION OF COMMISSIONER GATOV

I dissent.

The petition on which the majority has granted a rehearing is, in my opinion, nothing more than a re-hash of the contentions stated in petitioner's Application No. 47472.

The voluminous record in this case demolishes Walkup's basis for the original application, and the petition for rehearing, when read in conjunction with the complete transcript, is without merit.

DISSENTING OPINION OF COMMISSIONER SYMONS

I dissent.

Ten days of hearing have already been held in this matter and the voluminous record clearly shows that the volume of traffic does not warrant the certification of another carrier in the area involved.
