BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Ex-Parte  
Application of 1001 UTILITY  
COMPANY, INC., a California  
Corporation, for a Certificate  
of Public Convenience and  
Necessity to establish rates  
for water service, and for  
a permit to issue shares of  
its common stock.

Application No. 48173  
(Filed January 10, 1966)

ORDER DISMISSING APPLICATION

Since the filing of petition for rehearing of Decision No. 70871 by 1001 Utility Company, Inc., a California corporation, and the petition being granted by Decision No. 71410, the Commission has been advised in writing as follows:

By Equitable Savings and Loan Association:

"Equitable has acquired the assets of the 1001 Utility Co., but has not acquired the company itself. H. W. Heers still retains ownership of the company. Equitable intends to sell the assets of 1001 Utility Co. to an adjacent community services district, therefore a public utility will not be formed."

By attorneys for H. W. Heers:

". . . this is to inform you that on or about the 8th day of September, 1966, a Contract was entered into by and between Equitable Savings and Loan Association and H. W. Heers in which the assets of 1001 Utility Company, Inc., and we are contending the ownership of the corporation, were conveyed to Equitable Savings and Loan Association. We therefore have no further interest in 1001 Utility Company, Inc. and on behalf of H. W. Heers do hereby request that our Petition for Re-hearing be withdrawn."

A. 48173 HJH \*\*

Therefore, IT IS HEREBY ORDERED that Application  
No. 48173 is dismissed without prejudice.

Dated at San Francisco, California, this 9<sup>th</sup>
