Case No. 6008

ORDER SETTING HEARING

The Commission's Transportation Division Rate Branch staff has prepared and distributed to interested parties a report concerning the staff's proposal to exempt from the minimum rates provided in Minimum Rate Tariff No. 13 the transportation of water in vacuum-type or pump-type tank vehicles to steam plant sites located in oil fields.

The Transportation Division has recommended that a public hearing be scheduled for the purpose of receiving evidence related to the subject matter of the staff report.

Good cause appearing,

IT IS ORDERED that a hearing for the purpose indicated be held in this proceeding before such Commissioner or Examiner as may be designated at a time and place to be determined.

Dated at San Francisco, California, this 9th day of May, 1967.
