Decision No. 72530

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of CALIFORNIA CITIES
WATER COMPANY, a California
corporation, under Section 454
of the Public Utilities Code for
authority to increase its public
utility water rates.

Application No. 48812
(Filed September 23, 1966)

AMENDATORY ORDER

Decision No. 72486, dated May 23, 1967, pointed out that applicant's tariff schedule for measured irrigation service does not apply to water for lawn and garden irrigation such as is furnished to a memorial park. To avoid any future misinterpretation, however, it is desirable that the tariff schedule itself be clear on this point.

We find that applicant should not be required to provide service under its Schedule No. SD-3M, measured irrigation service, for the watering of lawns, gardens, golf courses, parks, memorial parks or cemeteries. We conclude that applicant's tariffs should so state, therefore,

IT IS ORDERED that Appendix A of Decision No. 72486 is amended to add the following special condition to Schedule No. SD-3M:

"8. The utility is not required to provide service under this schedule for the watering of lawns, golf courses, parks, memorial parks or cemeteries." (N)

The effective date of this order is the date hereof.

Dated at San Francisco, California, this

31st day of MAY, 1967.
