

Decision No. 72689

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of BERTO A. OLSON for a Certificate of Public Convenience and Necessity to Furnish and Charge Rates for Water Service in Antelope Valley, Los Angeles County.

Application No. 39092
(Amended)

ORDER REVOKING CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY

By Decision No. 56156, dated January 28, 1958, Berto A. Olson was granted a certificate of public convenience and necessity to construct and operate a public utility water system in unincorporated territory of Los Angeles County about seven miles northwest of Lancaster.

By letter dated May 2, 1967, the Trust Department of United California Bank stated that Mr. Berto A. Olson was deceased and that the Trust Department, as coexecutor of the estate, knew of no water company therein.

Investigation by the Commission staff on May 16, 1967, shows that no water system has been installed and that the utility is not operating. The Commission finds that applicant has failed to construct and operate a water system pursuant to the certificate granted to it and concludes that the authorizations contained in Decision No. 56156 should be revoked; therefore,

IT IS ORDERED that all authority granted to Berto A. Olson (dba Olson Farms Water Co.) by Decision No. 56156, dated January 28, 1958, in Application No. 39092 is hereby revoked.

The Secretary is directed to cause service of a Certified copy of this order to be made upon Olson Farms Water Co., or to mail a certified copy thereof to it at its last known address as shown in the Commission's records.

The effective date of this order shall be the thirtieth day after such service upon Olson Farms Water Co. or after the above mailing to Olson Farms Water Co., as the case may be, unless before such effective date there shall have been filed with this Commission written response to this order requesting public hearing in which event the effective date of this order shall be stayed until further order of the Commission.

Dated at San Francisco, California, this 6th day of JULY, 1967.
