Decision No. 72754

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Investigation on the Commission's own motion into the safety, maintenance, operation, use and protection of all public grade crossings over the Southern Pacific Company's El Paso Line between Los Angeles and Ontario, the Union Pacific Railroad Company's main line between Los Angeles and Ontario, and The Atchison, Topeka and Santa Fe Railway Company's main line between Los Angeles and Upland and between Los Angeles and La Mirada.

Case No. 7521

Investigation on the Commission's own motion into the safety, maintenance, operations, use and protection of grade crossings over the Pacific Electric Railway Company's tracks in the Cities of La Verne and Pomona at: White Avenue, Crossing No. 6T-29.18; San Antonio Avenue, Crossing No. 6T-30.76; Garey Avenue (St. Rte. 19), Crossing No. 6T-30.08.

Case No. 7739

SEVENTH ORDER EXTENDING TIME

By Decision No. 72628, dated June 20, 1967, the Commission granted Southern Pacific Company a three months' extension for the installation of automatic protection at three crossings named in Decision No. 67887 that were to be completed by June 30, 1967 as follows:

- B-513.6, Hamilton Boulevard, City of Pomona
- B-514.7, Palomares Street, City of Pomona
- B-515.2, San Antonio Avenue, City of Pomona

Since Union Pacific Railroad Company's Main Line track is adjacent and parallel to Southern Pacific Company's Main Line through these crossings and since each railroad will provide one-half of the total gate installation, Decision No. 72628 should have granted Union Pacific a like extension.

IT IS ORDERED that the completion date for the installation of automatic gates at the following Union Pacific Railroad Company crossings is extended to September 30, 1967:

- 3-31.3, Hamilton Boulevard, City of Pomona
- 3-32.3, Palomares Street, City of Pomona
- 3-32.8, San Antonio Boulevard, City of Pomona

Dated at San Francisco, California, this 11th
day of JULY, 1967.
