ORDER EXTENDING TIME

By Decision No. 69672, issued on September 14, 1965 herein, applicant was granted a certificate to transport passengers and their baggage by vessel between points on the California shores of Lake Tahoe. No service has ever been rendered under the certificate.

Two previous extensions have been granted. The first extended the time for institution of service to June 15, 1966, the second further extended this time to June 15, 1967. The instant petition seeks a further or third extension of time.

The petition will be granted. Applicant is, however, placed on notice that if service is not instituted on or before June 15, 1968, the applicant will be deemed to have abandoned the right and its authority will be canceled.

IT IS ORDERED that ordering paragraph 2b. of Decision No. 69672, as amended, is further amended to read as follows:

"2b. On or before June 15, 1968, applicant shall establish the service herein authorized and file tariffs and timetables, in triplicate, in the Commission's office."

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 1st day of AUGUST, 1967.
