 San Bernardino, California.)

Application No. 49320
 (Filed April 26, 1967)

O R D E R

The City of San Bernardino is hereby authorized to construct "G" Street at grade across the tracks of Southern Pacific Company in the City of San Bernardino, San Bernardino County, at the location described in the application to be identified as Crossing No. 6Y-1.12.

Width of crossing shall be not less than 58 feet and grades of approach not greater than two percent. Construction shall be equal or superior to Standard No. 2 of General Order No. 72. Protection shall be by three Standard No. 8 flashing light signals (General Order No. 75-B) augmented with automatic gate arms. The traffic signals at the adjacent intersection of Colton Avenue and "G" Street and the railroad signals shall be interconnected so that in the pre-emption phase initiated by an approaching train the traffic signals shall first display a green interval of sufficient length to clear all vehicles from the track area..

Applicant shall bear entire expense of construction and installation of automatic protection, also maintenance cost of the crossing outside of lines two feet outside of rails. The Southern Pacific Company shall bear maintenance cost of the crossing between

such lines. Maintenance costs of the automatic protection shall be borne by the applicant, pursuant to the provisions of Section 1202.2 of the Public Utilities Code.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 8th day of AUGUST, 1967.
