Application No. 49459  
 (Filed June 14, 1967)

O P I N I O N

William Melbern, doing business as Airport Limousine Service, requests authority to transport passengers between the Corte Madera Shopping Center, in Marin County, and the San Francisco International Airport.

Applicant proposes an "on-call" service between said points at a one-way fare of \$5.00. No service is proposed to intermediate points. To provide service, applicant proposes the use of a 1962 Checker Airporter limousine, a 1964 Cadillac limousine and a 1962 Cadillac limousine.

It is alleged that applicant's proposed service will not be competitive with any existing service.

Copies of the application were served upon Western Greyhound Lines and upon Barrett Transportation Company. No protest has been received.

After consideration the Commission finds that public convenience and necessity require the granting of the application. A public hearing is not necessary.

IT IS ORDERED that:

1. A certificate of public convenience and necessity is granted to William Melbern, authorizing him to operate as a passenger stage corporation, as defined in Section 226 of the Public Utilities Code, between the points and over the routes particularly set forth in Appendix A attached hereto and made a part hereof.

Failure to comply with and observe the safety rules, or the provisions of General Orders Nos. 98-A or 101-B, may result in a cancellation of the operating authority granted by this decision.
- (b) Within one hundred twenty days after the effective date hereof, applicant shall establish the service herein authorized and file tariffs and timetables, in triplicate, in the Commission's office.
- (c) The tariff and timetable filings shall be made effective not earlier than ten days after the effective date of this order on not less than ten days' notice to the Commission and the public, and the effective date of the tariff and timetable filings shall be concurrent with the establishment of the service herein authorized.
