Decision No. 73139

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation) Case No. 7857
for the purpose of considering and) (Petition for Modification
determining revisions in or reissues) No. 16)
of Minimum Rate Tariff No. 14-A.) (Filed July 17, 1967)

SUPPLEMENTAL OPINION AND ORDER

Decision No. 73138, entered today in Case No. 5432 (Petition for Modification No. 465) and Case No. 7857 (Petition for Modification No. 16) amended the provisions in Minimum Rate Tariffs Nos. 2 and 14-A relating to the transportation of salt, grit and shells. The decision also provided that, in order to avoid duplication of tariff distribution, Minimum Rate Tariff No. 14-A should be amended by separate order.

IT IS ORDERED that:

1. Minimum Rate Tariff No. 14-A (Appendix A to Decision No. 67397, as amended) is hereby further amended by incorporating therein, to become effective November 4, 1967, First Revised Page 31-B and Third Revised Page 31-C attached hereto and by this reference made a part hereof.

2. Tariff publications required to be made by common carriers as a result of the order herein may be made effective not earlier than the tenth day after the effective date of this order on not less than ten days' notice to the Commission and to the public and such tariff publications shall be made effective not later than November 4, 1967; and tariff publications which are authorized but not required to be made by common carriers as a result of the order herein may be made effective not earlier than the tenth day after the

effective date of this order, and may be made effective on not less than ten days' notice to the Commission and to the public if filed not later than sixty days after the effective date of the minimum rate tariff pages incorporated in this order. Tariff publications required and authorized herein shall be filed not earlier than the effective date of this order.

3. Common carriers, in establishing and maintaining the rates authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the rates published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

4. In all other respects, Decision No. 67397, as amended, shall remain in full force and effect.

The effective date of this order shall be twenty-five days after the date hereof.

Dated at San Francisco, California, this 21st day of September, 1967.
