Decision No. 73184

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of PAUL G. FORD, an individual, doing business as RIDDLE SCENIC TOURS, to transfer passenger stage operating authority and of ALFRED L. RIDDLE, an individual, to acquire said operating rights.

Application No. 49567 Filed July 25, 1967

<u>O P I N I O N</u>

Alfred L. Riddle, as the attorney-in-fact for Paul G. Ford, requests authority to transfer and Alfred L. Riddle, as an individual, requests authority to acquire certain operating authority.

The authority in question was originally issued to Alfred L. Riddle by Decision No. 39534, dated October 15, 1946, and authorized the transportation of passengers and their baggage between Los Angeles, Barstow, Baker, Death Valley Junction, Mojave, Olancha, Lone Pine and Ryan, on the one hand; and, Death Valley National Monument, on the other hand. By Decision No. 64232, dated September 11, 1952, in Application No. 44632, Alfred Riddle was authorized to transfer said authority to Paul G. Ford. The sales agreement also included the transfer of certain interstate authority and operating equipment for an agreed consideration of \$25,000, which was to be paid according to the terms specified thereir. On May 13, 1965, a balance of \$10,500 was left unpaid and the parties executed a supplemental agreement whereby Paul G. Ford was to pay monthly installments of \$400. It was further agreed that in the event Paul G. Ford defaulted in three consecutive monthly payments the entire balance would become due and owing. Alfred L. Riddle

was nominated as Paul G. Ford's attorney-in-fact to execute any and all applications or documents required by the Commission to retransfer the certificate of public convenience and necessity.

It is alleged that Paul G. Ford has defaulted in the payments for March, April, May, June and July 1967; that his financial condition does not permit of payment on the balance due upon said obligation; and unless the certificate is retransferred operations will cease.

After consideration the Commission finds that the proposed transfer would not be adverse to the public interest. A public hearing is not necessary.
