 (Filed August 28, 1967)  
 (Amended October 13, 1967)

SUPPLEMENTAL OPINION AND ORDER  
 AMENDING DECISION NO. 72847

Contra Costa County Water District having by its amended Petition for Modification shown that the service area of the Clyde Company is entirely within the territory of the Contra Costa County Water District and that the Clyde Company has no facilities and has never rendered utility service outside the present territory of the Contra Costa Water District;

IT IS ORDERED that:

1. The order in Decision No. 72847 is amended by the deletion of the second ordering paragraph which reads as follows:

"2. The foregoing authority is conditioned upon the filing in this proceeding of a stipulation by buyer that:

- A. Buyer will be subject to all legal claims for water service which might have been enforced against seller, including such claims as may exist in territories outside of purchasers boundaries.

B. As to the rates, rules and conditions of service which buyer will apply in the service area of the system herein authorized to be transferred, it will not discriminate between service rendered outside its district boundaries and service rendered inside said boundaries, except insofar as it may adjust such outside rates and charges to offset any reasonable tax burdens sustained by water users within the district in subsidizing the operation of districts water system."

2. The effective date of Decision No. 72847 shall be the date hereof.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 24th day of OCTOBER, 1967.
