Application No. 49390
Filed May 19, 1967

SUPPLEMENTAL ORDER

The Commission, by Decision No. 72836, dated August 1, 1967, in the above application, issued to Southern Counties Gas Company a certificate of public convenience and necessity to exercise the rights and privileges of a franchise granted to it by the City of Huntington Beach by Ordinance No. 1308, adopted April 3, 1967.

Through inadvertence the opinion in said decision referred to such franchise as being of indeterminate duration, when in fact it was for a period of forty years. The order in said decision correctly specified the ordinance which granted such franchise, a reference to which would show the correct duration thereof.

To avoid any possible confusion, however, the words "of indeterminate duration" appearing in line three of paragraph two on page one of Decision No. 72836 are stricken and the words "for forty years" are substituted therefor.

Except as amended herein Decision No. 72836 remains in full force and effect.

Dated at San Francisco, California, this 24th day of OCTOBER, 1967.
