Case No. 5432

ORDER SETTING HEARING

By Petition No. 45 in Case No. 5440 the California Portland Cement Company seeks the establishment in Minimum Rate Tariff No. 10 of minimum rates and rules for the transportation of pozzolana.

A public hearing on the petition was held before Examiner Abernathy at Los Angeles on July 31, 1967. The matter was taken under submission with the filing of briefs on September 12, 1967. However, Decision No. 73586, dated today, ordered that further public hearing be scheduled in Petition No. 45 in Case No. 5440 for the receipt of evidence and final disposition thereof. Pending such disposition, that decision provided for the establishment in Minimum Rate Tariff No. 2 of minimum commodity rates for the transportation of pozzolana on an interim basis.

Although petitioner requested the inclusion of rates for pozzolana in Minimum Rate Tariff No. 10, it appears that consideration should be given to whether the rates should be included in Minimum Rate Tariff No. 2 on a permanent basis. Whether and to what

extent amendments in Minimum Rate Tariff No. 2 may be required in the event that the rates are subsequently included in Minimum Rate Tariff No. 10 as requested should also be considered.

In order that whatever action as may be appropriate may be taken in connection with Minimum Rate Tariff No. 2, this aspect of the petition should be heard with the further hearing to be held on the above-identified Petition No. 45.

Good cause appearing,

IT IS ORDERED that a hearing for the purposes indicated be held in Case No. 5432 before Commissioner Bennett and/or Examiner Abernathy, or before such other Commissioner and/or Examiner as may hereafter be designated.

The Secretary is directed to cause appropriate notice of the time and place of the hearing to be mailed at least ten days before such hearing.

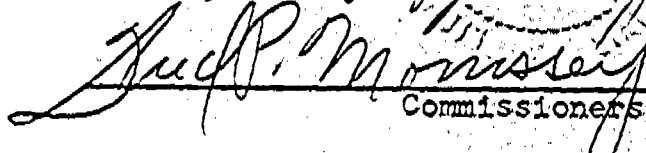

Dated at San Francisco, California, this 9th day of January, 1968.
