Case No. 8566

ORDER OF DISMISSAL

This complaint was filed on November 29, 1966. On January 9, 1967 complainant substituted his attorney of record. The substituted attorney requested that the case not be set for hearing at that time. On June 26, 1967 he requested that the matter be held open for another three months. On August 9, 1967 he informed the Commission that complainant had died on August 1, and that he would inform the Commission whether or not the executor of complainant's estate desired to pursue the matter. Not hearing from counsel, the Commission, on December 18, 1967, wrote to him requesting that within fifteen days he inform the Commission whether or not he wished to proceed. No answer has been received from counsel.
