SUPPLEMENTAL OPINION AND ORDER

By Decision No. 73385 dated November 21, 1967, in Case No. 5437, Order Setting Hearing dated March 24, 1959, et al., the Commission found that: (1) the basic traverse network adopted for rock, sand and gravel, in Decision No. 73256 dated October 27, 1967, in Case No. 5437, Petition for Modification No. 119, et al., should be made applicable to asphaltic concrete and cold road mixture and concluded that Minimum Rate Tariff 17 should be amended by separate order to reflect changes in the traverse network for the transportation of the above commodities.

Minimum Rate Tariff 17 also contains rates and rules governing the transportation of decomposed granite. The Commission's attention has been directed to the fact that the basic traverse network adopted in Decision No. 73256, supra, should also be made applicable to the rates in Minimum Rate Tariff 17 for the transportation of decomposed granite.

The Commission staff completed a computerized single cost runout setting forth time, miles, costs and rates to reflect new freeway segments for the transportation of the commodities involved. The computer runout is hereby received in evidence as Ex Parte Exhibit No. B-7.

In the circumstances, it appears, and the Commission finds, that the proposed rates are reasonable and that the resulting minimum rates will be just, reasonable and nondiscriminatory minimum rates for the transportation involved. A public hearing is not necessary. The Commission concludes that Minimum Rate Tariff 17 should be amended as provided in the order which follows. Other changes not related to the subject matter will be made in some of the tariff pages herein being revised to reflect operational costs based on the use of 3-axle equipment rather than 5-axle equipment¹ for the transportation of decomposed granite.

IT IS ORDERED that:

1. Minimum Rate Tariff 17 (Appendix "A" of Decision No. 69469, as amended) is hereby further amended by incorporating therein, to become effective April 20, 1968, the revised pages attached hereto and listed in Appendix A also attached hereto and by this reference made a part hereof.

1

Decision No. 71874 dated January 17, 1967, as amended by Decision No. 73275 dated October 27, 1967, established certain rates in Minimum Rate Tariff 17 for decomposed granite which were based on operational costs for three-axle dump truck equipment. The rates which were published in the above tariff as a result of the above decisions were inadvertently based on the operational costs for 5-axle equipment.

2. In all other respects Decision No. 69469, as amended, shall remain in full force and effect.

This order shall become effective twenty-five days after the date hereof.

Dated at San Francisco, California, this 5th day of March, 1968.
