ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of the County of Los Angeles for the construction of Golden Oak Road over the El Paso Line of the Southern Pacific Company - Saugus Area)

Application No. 49959
(Filed January 19, 1968)

O R D E R

County of Los Angeles is hereby authorized to construct Golden Oak Road at grade across the track of Southern Pacific Company's El Paso Route main line in Los Angeles County, at the location described in the application to be identified as Crossing No. B-447.9.

Width of crossing shall be not less than 52 feet and grades of approach not greater than four percent. Construction shall be equal or superior to Standard No. 2 of General Order No. 72. Protection shall be by two Standard No. 8 flashing light signals (General Order No. 75-B) augmented with automatic gate arms.

Applicant shall bear entire expense of construction and installation of automatic protection, also maintenance cost of the crossing outside of lines two feet outside of rails. Southern Pacific Company shall bear maintenance cost of the crossing between such lines. Maintenance cost of the automatic protection shall be borne by the applicant, pursuant to the provisions of Section 1202.2 of the Public Utilities Code. Minimum side clearances shall conform to the provisions of General Order No. 26-D.

Upon completion, the private crossing at MP-448.06, about 700 feet westerly shall be abandoned and effectively closed. Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 12th day of MARCH, 1968.
