

Decision No. 73964**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
LOS ANGELES CITY EXPRESS, INC.,
a California corporation, for a
certificate of public convenience
and necessity, authorizing removal
of a certain restriction under its
present certificate, and extension
of its present authority and
issuance of an in-lieu certificate.

Application No. 42580

ORDER OF MODIFICATION

Los Angeles City Express, Inc. requests that its certificated authority as a highway common carrier be amended by deleting therefrom the following restriction:

"No service shall be rendered to or from the Marine Corps Field Artillery Anti-Aircraft Training Center near Twentynine Palms."

Said restriction was imposed by Decision No. 61085 dated November 22, 1960, and was the result of a stipulation entered into between applicant, Desert Express and Victorville-Barstow Truck Line.

By letter dated March 18, 1968, Desert Express and Victorville-Barstow Truck Line withdrew a previously filed protest to the removal of the restriction.

After consideration, the Commission finds that public convenience and necessity require the granting of the application. A public hearing is not necessary.

A. 42580 ds

IT IS ORDERED that:

1. Appendix A of Decision No. 60972 in Application No. 42580 is hereby amended by substituting Second Revised Page 1 attached hereto and by reference made a part hereof in place of First Revised Page 1.

2. Within sixty days after the effective date hereof and on not less than ten days' notice to the Commission and to the public, applicant shall amend its tariffs presently on file with this Commission to reflect the authority herein granted.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 9th day of APRIL, 1968.
