

Decision No. 74290

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of the State of California Department of Public Works for an order authorizing construction of a crossing at separated grades over tracks of the Sacramento Northern Railway, referred to as SACRAMENTO RIVER BRIDGE AT BRYTE BEND, in Yolo and Sacramento Counties.

Application No. 50019
(Filed February 15, 1963)

ORDER

State of California Department of Public Works is hereby authorized to construct a crossing at separated grades of State Route 300 over the track of Sacramento Northern Railway at Bryte, Yolo County, at the location and substantially as shown by plans (Exhibit B) attached to the application, to be identified as Crossing No. 8B-2.5-A.

Construction and maintenance expense shall be borne in accordance with an agreement entered into between the parties relative thereto, and copy of said agreement, together with plans of said crossing approved by Sacramento Northern Railway, shall be filed with the Commission within 100 days from the date hereof. Should the parties fail to agree, the Commission will apportion the cost of construction and maintenance by further order. Clearances shall conform to the provisions of General Order No. 26-D.

Within thirty days after completion pursuant to this order applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within three years

unless time be extended or if conditions are not complied with.
The effective date of this order shall be twenty days after the
date hereof.

Dated at San Francisco, California, this 25th
day of JUNE, 1968.
