ORDER RESCINDING ORDER OF REVOCATION

Decision No. 73576 dated January 3, 1968, in this proceeding, provided for revocation of the certificate of public convenience and necessity of Kirby Fiberglass, Inc., doing business as K.F. Trucking (Kirby), for failure on the part of the carrier to have on file with the Commission the required tariffs and evidence of liability insurance. The decision also provided that the order would be stayed in the event Kirby filed with the Commission before such effective date the required tariffs and evidence of liability insurance.

The required evidence of liability insurance and tariffs were timely filed with the Commission thereby staying the effective date of Decision No. 73576. Inasmuch as the required evidence of liability insurance and tariffs are on file, the order of revocation will be rescinded.

IT IS ORDERED that Decision No. 73576 dated January 3, 1968, in Application No. 46415 is hereby rescinded.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 25<sup>th</sup> day of June, 1968.
