SUPPLEMENTAL OPINION AND ORDER

By Decision No. 74082 dated May 7, 1968, the Commission amended the certificates of various highway common carriers of general commodities by excluding therefrom the transportation of trailer coaches and campers for failure on the part of such carriers to file the required tariffs for the involved transportation.

The certificates of several carriers were inadvertently amended by Decision No. 74082 when the required tariff filings had been made by them.¹ Appendix A of Decision No. 74082 contains minor discrepancies in the carrier designations and authority references concerned.

In the circumstances, it appears, and the Commission finds, that the aforementioned certificates should be amended to reinstate therein the transportation of trailer coaches and campers and the other necessary corrections should be made by the order herein. A

¹The carriers are Aetna Freight Lines, Inc.; C-Line Express; J. F. McCarthy, Jr., G. F. and J. T. Fox, doing business as John McCarthy & Son; Pacific Express Transportation; C. J. and C. E. Fortier, doing business as Reedley-Selma Kingsburg Truck Lines; Salinas Valley-Santa Cruz Motor Express; San Diego-Imperial Express, Inc., and Spear Enterprises, Inc., doing business as United Truck Line.

public hearing is not necessary. The Commission concludes that Decision No. 74082, supra, should be amended accordingly.

IT IS ORDERED that:

1. Appendix A of Decision No. 74082 is amended by incorporating therein First Revised Pages 1, 2, 3, 4, 6, 7, 8, 11, 12, 13 and 14, attached hereto, in revision of Original Pages 1, 2, 3, 4, 6, 7, 8, 11, 12, 13 and 14.

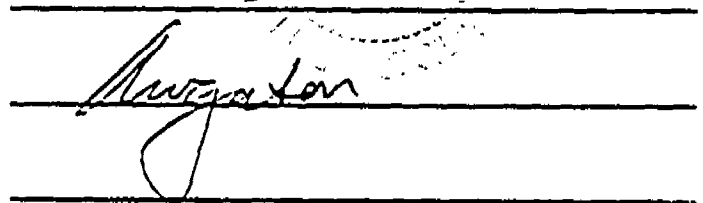

2. In all other respects, Decision No. 74082 shall remain in full force and effect.

The Secretary is directed to cause service of a certified copy of this order to be made upon Western Motor Tariff Bureau, Inc., C. R. Nickerson, Agent, Pacific Express Transportation and System 99.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 13th day of August, 1968.
