Case No. 5441

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 74565, issued today in Case No. 5432, et al., the Commission found that various minimum rate tariffs should be clarified with respect to their application to the transportation of property which is exempt from regulation of the Interstate Commerce Commission under Sections 203(b)(8) and 402(8)(c)(1) of the Interstate Commerce Act. The decision also provided that City Carriers' Tariff No. 1-A should be amended by separate order to avoid duplication of tariff distribution.

**IT IS ORDERED that:**

1. City Carriers' Tariff No. 1-A (Appendix A of Decision No. 41363, as amended) is hereby further amended by incorporating therein, to become effective September 28, 1968, Sixth Revised Page 15-A attached hereto and by this reference made a part hereof.

2. In all other respects Decision No. 41363, as amended, shall remain in full force and effect.

The effective date of this order shall be twenty-four days after the date hereof.

Dated at San Francisco, California, this 20<sup>th</sup> day of August, 1968.
