 poration, for Certificate of Public)
 Convenience and Necessity as a)
 freight forwarder of general com-)
 modities between points in the State)
 of California.)

Application No. 49840
 (Filed September 11, 1968)

OPINION AND ORDER

A certificate of public convenience and necessity to operate as a freight forwarder was granted to Domestic Air Express, Inc. (Domestic) by Decision No. 74173 dated May 28, 1968. Paragraph 2(b) of the order in the decision reads as follows:

"Within one hundred twenty days after the effective date hereof, applicant shall establish the service herein authorized and file tariffs in triplicate, in the Commission's office."

The final date within which to establish the service and file tariffs is October 15, 1968.

By Petition for Modification filed September 11, 1968, Domestic requests additional time within which to file its tariff and establish service. The petition alleges that Domestic has experienced difficulty in preparation of its tariff in form and substance satisfactory to it, its customers and the public. It therefore requests an additional 80 days within which to complete the preparation of said tariff.

The Commission having considered such request and good cause appearing,

IT IS ORDERED that ordering paragraph 2(b) of Decision No. 74173 is amended as follows:

- 2(b) Within two hundred days after the effective date hereof, applicant shall establish the service herein authorized and file tariffs, in triplicate, in the Commission's office.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 1st day of OCTOBER, 1968.
