

Decision No. 74842**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the Application of  
 Robert J. Ruhland and Maury Swidler,  
 general partners, and of Nathan Swidler  
 and Stephen W. Hackett, limited partners,  
 doing business as HI-WAY TOURS, a limited  
 partnership, for a certificate of Public  
 Convenience and Necessity authorizing  
 passenger sight-seeing service from  
 points in San Mateo County and from  
 points in San Francisco City and County,  
 to Marine World, located in Redwood City.

Application No. 50414  
 (Filed July 19, 1968;  
 Amended September 4,  
 1968)

O P I N I O N

Robert J. Ruhland, Maury Swidler, Nathan Swidler and Stephen W. Hackett, doing business as Hi-Way Tours, presently rendering a sight-seeing service from points in San Mateo County to various points of interest in San Francisco and Marin Counties, request authority to extend service from points in San Mateo County to Marine World in Redwood City.

It is alleged that Marine World is a recently completed recreational and educational center that was made available to the public on July 18, 1968 and that applicants have received numerous requests to provide a sight-seeing service to this new point of interest.

After consideration the Commission finds that public convenience and necessity require the granting of the application as amended. A public hearing is not necessary.
