Case No. 7736
 (Filed October 24, 1963)

ORDER MODIFYING DECISION

By Decision No. 69084, dated May 18, 1965, the Commission concluded that respondent MacDonald and Dorsa had violated Sections 3668, 3669 and 3737 of the Public Utilities Code and ordered that a fine of \$2500 be imposed. Rehearing was subsequently granted and Decision No. 69084 was affirmed with certain amendments by Decision No. 73791, dated March 5, 1968. The amendments did not affect the fine.

Subsequently the respondent petitioned for reduction of its fine. The reduction was denied on July 2, 1968 by Decision No. 74340. On October 8, 1968 respondent made a partial payment of \$625.00 and requested permission to pay the balance in three monthly installments of \$625.00 each.

The request appears reasonable and will be granted. The due dates of the installments will be November 15 and December 15, 1968 and January 15, 1969.

The Commission finds that:

1. One-fourth of the \$2500 fine (\$625.00) levied upon respondent MacDonald and Dorsa by previous decisions in this proceeding has been paid.

2. It is reasonable for MacDonald and Dorsa to pay the balance of said fine in three equal monthly installments of \$625.00 each.

The Commission concludes that the terms for payment of said fine should be modified as provided by the following order.

IT IS ORDERED that:

1. Ordering paragraph No. 5 of Decision No. 69084 in this proceeding is amended to read as follows:

5. Respondent MacDonald & Dorsa Transportation Company shall pay a fine of \$2500 in four equal monthly installments of \$625.00 each due and payable, respectively, on October 15, November 15, December 15, 1968 and January 15, 1969.

2. As herein amended Decisions Nos. 69084, 73791 and 74340 in this proceeding are continued in full force and effect.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 6th day of NOVEMBER, 1968.
