Case No. 7857

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 74993, issued today in Case No. 5432, et al., the Commission found that various minimum rate tariffs should be clarified with respect to their application to the transportation of property which is exempt from regulation of the Interstate Commerce Commission under Sections 203(b)(6) and 203(b)(8) of the Interstate Commerce Act. The decision also provided that Minimum Rate Tariff No. 14-A should be amended by separate order to avoid duplication of tariff distribution.

IT IS ORDERED that:

1. Minimum Rate Tariff No. 14-A (Appendix A to Decision No. 67397, as amended) is hereby further amended by incorporating therein, to become effective January 4, 1969, First Revised Page 5-A attached hereto and by this reference made a part hereof.

2. Tariff publications authorized to be made by common carriers as a result of the order herein may be made effective not earlier than the tenth day after the effective date of this order and may be made effective on not less than ten days' notice to the Commission and to the public if filed not later than sixty days after the effective date of the minimum rate tariff page incorporated in this order. Tariff publications authorized herein shall be filed not earlier than the effective date of this order.

3. Common carriers, in establishing and maintaining the amendments authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the amendments published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

4. In all other respects Decision No. 67397, as amended, shall remain in full force and effect.

This order shall become effective twenty-four days after the date hereof.
