

Decision No. 75427

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation into
the rates, rules, regulations, charges,
allowances and practices of all common
carriers, highway carriers, and city
carriers relating to the transportation
of any and all commodities between and
within all points and places in the
State of California (including, but not
limited to, transportation for which
rates are provided in Minimum Rate Tariff
No. 2).

Case No. 5432
Petition for Modification
No. 530
(Filed February 3, 1969)

In the Matter of the Investigation for the
purpose of considering and determining
revisions in or reissues of Minimum Rate
Tariff No. 14-A.

Case No. 7857
Petition for Modification
No. 21
(Filed February 3, 1969)

OPINION AND ORDER

Decision No. 75426 issued today in the captioned proceedings found that Minimum Rate Tariffs Nos. 2 and 14-A should be amended to reflect revised descriptions of articles subject to commodity rates on grain, rice, seeds and related articles, and that Minimum Rate Tariff No. 2 should be amended by separate order.

Therefore,

IT IS ORDERED that:

1. Minimum Rate Tariff No. 2 (Appendix D to Decision No. 31606, as amended) is further amended by incorporating therein, to become effective April 27, 1969, the revised pages attached hereto and listed in Appendix A, also attached hereto, which pages and appendix are made a part hereof.
2. Tariff publications required to be made by common carriers as a result of the order herein shall be filed not earlier than the effective date of this order and may be made effective not earlier

than the tenth day after the effective date of this order on not less than ten days' notice to the Commission and to the public and such tariff publications shall be made effective not later than April 27, 1969; and the tariff publications which are authorized but not required to be made by common carriers as a result of the order herein may be made effective not earlier than the tenth day after the effective date of this order, and may be made effective on not less than ten days' notice to the Commission and to the public if filed not later than sixty days after the effective date of the minimum rate tariff pages incorporated in this order.

3. Common carriers, in establishing and maintaining the rates authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the rates published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

4. In all other respects, Decision No. 31606, as amended, shall remain in full force and effect.

The effective date of this order shall be seventeen days after the date hereof.

Dated at San Francisco, California, this 18th day of MARCH, 1969.
