Decision No. 75489

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of SOUTHERN CALIFORNIA GAS COMPANY for an increase in gas rates to offset higher costs occasioned by an increase in the rates of its supplier El Paso Natural Gas Company, to utilize certain gas cost reductions, and for other revisions in its tariffs.

) Application No. 50713
) (Filed November 29, 1968)

SUPPLEMENTAL ORDER

Changes authorized in rates, charges and conditions under Schedule No. G-56, Optional Long-Term Interruptible Natural Gas Service To Cement Plant, were inadvertently omitted from Appendix A to Decision No. 75429 dated March 18, 1969, in Application No. 50713. To remedy this, page 11 of said Appendix should be revised to include such changes.

Therefore, IT IS ORDERED that page 11 of said Appendix A is cancelled and there is inserted in place and stead thereof the revised page 11 attached hereto.

The effective date of this order shall be March 18, 1969.

Dated at San Francisco, California, this 25th
day of MARCH, 1969.

William Lyons Jr.
President

Commissioner A. W. GATOV

Present but not participating.

APPENDIX A
Page 11 of 11

9. Cement Plant Service

Commodity Charge

	<u>G-56</u> Effective Rates* per Therms	
	"A" Rates	"S" Rates
Summer Period: All Gas	2.889¢	3.040¢
Winter Period: Basic Gas ..	2.889¢	3.040¢
Excess Gas .	2.829¢	2.829¢

* Maximum rates permissible under this order.

Contingent Offset Charges Related to F.P.C. Docket No. RP69-6

The effective rates include an offset charge of 0.072 cent per therm related to increased cost of gas both from El Paso Natural Gas Company and the related increase in cost of gas from Pacific Lighting Service Company. To the extent that the FPC orders reduction in the rates for El Paso gas with resulting effect on cost of gas from the above noted sources, the offset will be reduced related to the amount of such reduction in cost of gas from these sources.

Refunds of Contingent Offset Increase Related to F.P.C. Docket No. RP69-6

Refunds received from El Paso Natural Gas Company as related to this docket will be made to various customer classes in proportion to the contingent offset charges collected during the period to which the refunds apply.

10. Resale Service

	<u>G-60</u>
Monthly Demand Charge	\$2.53 per Mcf of daily contract demand
Commodity Charge	32.58¢ per Mcf

Contingent Offset Charges Related to F.P.C. Docket No. RP69-6

The effective rates include an offset charge of 2.34 cents per Mcf related to increased cost of gas both from El Paso Natural Gas Company and the related increase in cost of gas from Pacific Lighting Service and Supply Company. To the extent that the FPC orders reduction in the rates for El Paso gas with resulting effect on cost of gas from the above noted sources, the offset will be reduced related to the amount of such reduction in cost of gas from these sources.

Refunds of Contingent Offset Increase Related to F.P.C. Docket No. RP69-6

Refunds received from El Paso Natural Gas Company as related to this docket will be made to various customer classes in proportion to the contingent offset charges collected during the period to which the refunds apply.
