Decision No. 75517

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation
into the rates, rules, regulations,
charges, allowances and practices of
all common carriers, highway carriers
and city carriers relating to the
transportation of any and all commodities
between and within all points and places
in the State of California (including,
but not limited to, transportation for
which rates are provided in Minimum Rate
Tariff No. 2).

Case No. 5432
Petition for Modification
No. 524
(Filed December 10, 1968)

OPINION AND ORDER

By Decision No. 75516, entered today, in this proceeding, the minimum rates for pool car shipments in the San Francisco Bay Area are revised. The decision found that in order to avoid duplication of tariff distribution Minimum Rate Tariff No. 2 should be amended by separate order; therefore,

IT IS ORDERED that:

1. Minimum Rate Tariff No. 2 (Appendix D to Decision No. 31606, as amended) is further amended by incorporating therein, to become effective May 10, 1969, Fourteenth Revised Page 21-B and Thirteenth Revised Page 21-C, which pages by this reference are made a part hereof.
2. Common carriers subject to the Public Utilities Act, to the extent that they are subject also to said Decision No. 31606, as amended, be and they are hereby directed to establish in their tariffs the increases necessary to conform with the further adjustments herein of that decision.

3. Any provisions concurrently maintained in common carrier tariffs which are more restrictive than, or which produce charges greater than, those contained in Minimum Rate Tariff No. 2, are authorized to be maintained in connection with the increased rates and charges directed to be established by ordering paragraph 2 hereof.

4. The increases in rates, minimum charges and accessorial service charges directed to be established by ordering paragraph 2 hereof be and they are authorized to be made applicable also for the transportation of all traffic now subject to class or commodity rates in common carrier tariffs:

- a. For which minimum commodity rates have been established;
- b. For which minimum rates have not been established; and
- c. For which rates have been established based upon Minimum Rate Tariff No. 2.

5. Tariff publications resulting in increases required or authorized to be made by common carriers as a result of the order herein shall be filed not earlier than the effective date of this order and may be made effective not earlier than the tenth day after the effective date of this order, on not less than ten days' notice to the Commission and to the public; such tariff publications as are required shall be made effective not later than May 10, 1969; as to increases which are authorized but not required, the authority herein granted shall expire unless exercised within sixty days after the effective date of this order; and tariff publications resulting in reductions may be made effective not earlier than the tenth day after the effective date of this order, and may be made effective on not less than ten days' notice to the Commission and to the public if filed not later than sixty days after the effective date of the minimum rate tariff pages incorporated in this order.

6. Common carriers, in establishing and maintaining the rates authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the rates published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

7. In all other respects said Decision No. 31606, as amended, shall remain in full force and effect.

The effective date of this order shall be twenty-four days after the date hereof.

Dated at San Francisco, California, this 15th
day of APRIL, 1969.
