ORDER REVOKING LESS-THAN-MINIMUM RATE AUTHORITY

By Decision No. 74696 dated September 17, 1968, in the above proceeding, Special Delivery Service, a corporation, operating as a permitted carrier, was authorized to transport automotive parts, supplies and related commodities between points located within a radius of 50 miles of the City of Oakland, at rates less than the established minimum rates. The authority is scheduled to expire on September 17, 1969.

The permit granted to Special Delivery Service to operate as a highway contract carrier was revoked on March 11, 1969, for failure to have on file with the Commission requisite evidence of liability insurance.

In the circumstances, it appears, and the Commission finds, that failure of Special Delivery Service to possess the required operating permit constitutes good cause for revocation of the less-than-minimum rate authority granted by Decision No. 74696, supra. A public hearing is not necessary. The Commission concludes that the less-than-minimum rate authority should be revoked.

IT IS ORDERED that:

1. The authority to transport automotive parts, supplies and related commodities between points located within a radius of 50 miles of the City of Oakland, at rates less than the established minimum rates, granted to Special Delivery Service, a corporation, by Decision No. 74696 dated September 17, 1968, is hereby revoked.

The Secretary is directed to cause service of a certified copy of this order to be made upon Special Delivery Service, a corporation, or to mail a certified copy thereof to it at its last known address as shown in the Commission's records.

The effective date of this order shall be twenty days after such service upon Special Delivery Service, a corporation, or after the above mailing to it.

Dated at San Francisco, California, this 15th day of April, 1969.
