

Decision No. 75571**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application
of FLOUR, INC., a California
corporation, for suspension of a
portion of certificated rights as
a highway common carrier as to
certain commodities between certain
points for one shipper.

Application No. 50953
(Filed March 13, 1969)

O P I N I O N

By Decision No. 73925, dated April 2, 1968, in Application No. 50053, Flour, Inc. was authorized to suspend service as a highway common carrier for the transportation of vegetable oil shortening, salad oil, cooking oil, margarine, lard substitutes, lard compounds, monoglycerides, canned meats, canned goods, and grain feed, between Vernon, on the one hand, and all points and places in the Counties of Los Angeles, Orange, San Diego, Riverside and San Bernardino, on the other hand, for a period of one year ending April 23, 1969. Applicant requests the suspension be continued for an additional year.

It is alleged that Swift & Company is the only customer served by applicant with reason to ship such commodities between said points and that service can best be provided as a contract carrier.

After consideration the Commission finds that the requested authority would not be adverse to the public interest. A public hearing is not necessary.

O R D E R

IT IS ORDERED that:

1. The suspension authorized by Decision No. 73925, dated April 2, 1968, in Application No. 50053 is hereby extended to and including April 22, 1970.

2. Applicant shall amend its tariff presently on file with this Commission to become effective April 22, 1969 on one day's notice to the Commission and the public, to reflect the authority herein granted.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 15th day of APRIL, 1969.

William Symons, Jr.
