Case No. 6008
Petition for Modification
No. 8

SUPPLEMENTAL OPINION AND ORDER

Decision No. 75522, dated April 1, 1969, in this proceeding, revised the minimum rates named in Minimum Rate Tariff No. 13 for the transportation of property in vacuum-type or pump-type vehicles. The decision also directed the common carriers listed in Appendix A thereof to amend their tariffs to reflect the authority granted therein.

It has come to the Commission's attention that Appendix A of Decision No. 75522 does not correctly list all of the respondent common carriers in this proceeding.¹

In the circumstances, it appears and the Commission finds, that the necessary corrections should be made by the order herein. A public hearing is not necessary. The Commission concludes that Decision No. 75522 should be amended accordingly.

IT IS ORDERED that:

1. Decision No. 75522 is hereby amended by substituting for Appendix A thereof Appendix B, attached hereto and by this reference made a part hereof.

¹ Wm. H. Hutchison & Sons Service Co., Inc. and Lang Transportation Corporation should have been listed in Appendix A as respondent carriers in this proceeding. Homer Lee Myers, dba Homer L. Myers Trucking, and Bill T. Small, dba Vacuum Truck Company, should not have been listed as respondent carriers in said Appendix A.

2. Tariff publications required or authorized to be made by common carriers listed in said Appendix B as a result of Decision No. 75522 and the order herein shall be filed not earlier than the effective date of this order and may be made effective not earlier than the fifth day after the effective date of this order, on not less than five days' notice to the Commission and to the public; such tariff publications as are required shall be made effective not later than May 10, 1969; and as to tariff publications which are authorized but not required; the authority herein granted shall expire unless exercised within sixty days after the effective date hereof.

3. In all other respects Decision No. 55584, as amended, and Decision No. 75522 shall remain in full force and effect.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 29th day of April, 1969.
