Case No. 5439
 (Order Setting Hearing
 in Decision No. 75206)

SUPPLEMENTAL OPINION AND ORDER

The minimum rates for parcel delivery set forth in Item No. 420 of Minimum Rate Tariff No. 9-B were established to meet the rates published and maintained by United Parcel Service, Inc. By Decision No. 75692, entered today, United Parcel Service, Inc. was authorized to increase its basic per package charge from 29 cents to 32 cents, and the Commission concluded therein that in order to avoid duplication of tariff distribution Minimum Rate Tariff No. 9-B should be amended by separate order to reflect the increase in the parcel delivery rate; therefore,

IT IS ORDERED that:

1. Minimum Rate Tariff No. 9-B (Appendix A of Decision No. 67766, as amended) is further amended by incorporating therein to become effective June 21, 1969, Third Revised Page 45, attached hereto and by this reference made a part hereof.

2. Tariff publications required to be made by common carriers as a result of the order herein may be made effective not earlier than the fifth day after the effective date of this order

on not less than five days' notice to the Commission and to the public and shall be made effective not later than June 21, 1969.

3. Common carriers, in establishing and maintaining the rates authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the rates published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

4. In all other respects Decision No. 67766, as amended, shall remain in full force and effect.

The effective date of this order shall be twenty-four days after the date hereof.

Dated at San Francisco, California, this 20th day of MAY, 1969.
