Decision No. 75751

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of the CITY OF SANTA MONICA, a municipal corporation, to construct Stewart Street across the Southern Pacific Company track and a certain spur track in the City of Santa Monica.

Application No. 49416  
(Filed May 31, 1967)

ORDER OF DISMISSAL

The applicant, City of Santa Monica, has informed the Commission that it will be some time before the city and railroad will come to terms on the conditions for this crossing and that an amendment to the application will be necessary due to the changed conditions.

It appears that the application should be dismissed without prejudice, rather than held in abeyance until the city and railroad come to terms.

IT IS ORDERED that Application No. 49416 be dismissed without prejudice.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 10<sup>th</sup> day of JUNE, 1969.
