

Decision No. 75857

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of AIR ASTRO TRANSPORTATION, INC., doing business as "ASTRO AIR", a registered corporation incorporated under the laws of the State of California, to operate as a common air carrier of passengers and property, under a certificate of public convenience and necessity between the terminal points of Los Angeles International Airport and Lompoc Airport (as Route #1), and between the terminal Lompoc Airport and coterminals San Jose Airport and San Francisco International Airport (as Routes #2A and #2B).

Application No. 50478

ORDER EXTENDING TIME

By Decision No. 75239, dated January 21, 1969, in Application No. 50478, applicant was authorized to provide passenger service by air between Lompoc and Los Angeles; and between Lompoc, San Jose and San Francisco. Applicant has advised by letter that service is being provided between Lompoc and Los Angeles. There is no service yet between Lompoc, San Jose and San Francisco due to a delay in receiving the endorsement from the Federal Aviation Administration. This delay was not anticipated and applicant requests a reasonable extension of time within which to start service between Lompoc, San Jose and San Francisco.

A. 50478 ds

IT IS ORDERED that the time within which to commence service between Lompoc and San Jose and San Francisco and to file tariffs and timetables pursuant thereto, as required by ordering paragraph 2(b) of Decision No. 75239 is hereby extended to September 1, 1969.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 1st day of JULY, 1969.
