

Revenue and expense data submitted by applicant indicate that the transportation involved has been profitable and reasonably may be expected to be profitable during the ensuing year.

The certificate of service shows that a copy of the verified application was mailed to California Trucking Association on May 8, 1969. The application was listed on the Commission's Daily Calendar of May 13, 1969. No objection to the granting of the application has been received.

In the circumstances, it appears, and the Commission finds, that the proposed rates and charges are reasonable. A public hearing is not necessary. The Commission concludes that the application should be granted. Since the conditions surrounding the transportation involved may change, the authority granted herein will be made to expire at the end of one year.

IT IS ORDERED that:

1. Keeney Truck Lines, Inc., is hereby authorized to depart from the provisions of the minimum rate orders otherwise applicable to the services which it performs for General Mills, Inc., to the extent specifically provided in Appendix A attached hereto and by this reference made a part hereof, and to assess rates and charges less than the minimum rates and charges otherwise applicable for such services but not less than those specified, and subject to the conditions shown in said Appendix A.

2. The authority granted herein shall, on and after July 31, 1969, supersede the authority granted by Decision No. 74348 and shall expire with July 31, 1970.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 1<sup>st</sup> day of JULY, 1969.
