Application No. 51152
 (Filed June 10, 1969)

O R D E R

The State of California Department of Public Works is hereby authorized to construct a crossing at separated grades of the Ventura Freeway (State Route 101) over the tracks of the Southern Pacific Company's Coast Route in Ventura County, at the location and substantially as shown by plans (Exhibit B) attached to the application, to be identified as the Seacliff Overhead, Crossing No. E-333.3-A. Construction and maintenance expense shall be borne in accordance with an agreement to be entered into between the parties relative thereto, and copy of said agreement, together with plans of said crossing approved by Southern Pacific Company, shall be filed with the Commission prior to commencing construction. Should the parties fail to agree, the Commission will apportion the cost of construction and maintenance by further order.

Clearances shall be in accordance with General Order 26-D, except that during the period of construction, a clearance of not less than 21' 0" above top of rail is authorized and Southern Pacific Company is authorized to operate with such reduced clearance provided appropriate bulletins are issued, and filed with the Commission, advising train and engine crews of the temporarily impaired clearance condition and forbidding trainmen to ride on the tops of cars while operating beneath the structure.

Applicant shall notify the Commission and Southern Pacific Company at least 15 days but not more than 30 days in advance of the date when the temporary impaired clearance will be created.

Within thirty days after completion pursuant to this order applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within three years unless time be extended or if conditions are not complied with. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 22nd
day of JULY, 1969.
