2. The rates, charges and rules set forth in Minimum Rate Tariff No. 9-B are established and approved as the just, reasonable and nondiscriminatory minimum rates and charges to be assessed, charged and collected, and the rules to be observed by all dump truck carriers as defined in the Highway Carriers' Act for the transportation of mining, building, paving and construction materials, except cement or liquids, in bulk in dump truck equipment between the points for which rates are provided in said tariff.
