ORDER GRANTING REHEARING

A petition for rehearing of Decision No. 75981 was filed by Southern Pacific Company on September 12, 1969. Said petition alleges inter alia that the decision is erroneous in concluding that there was no showing as to what portion, if any, of the \$82,400 claimed in ad valorem taxes is directly attributable to the parking lot properties involved. The Commission having considered each and every allegation in the petition for rehearing, and being of the opinion that good cause for rehearing to consider the above noted allegation has been made to appear,

IT IS ORDERED that rehearing of Decision No. 75981 is hereby granted. Said rehearing shall be limited to consideration of additional evidence the parties may produce as to what portion, if any, of the ad valorem taxes claimed is directly attributable to the parking lot operations.

Dated at San Francisco, California, this 4th day of DECEMBER, 1969.
