

HW

Decision No. 76587

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application
of HAROLD S. SCOTT, an Individual,
doing business as STEWART DRAYAGE
LINES, to transfer a certificate
of public convenience and necessity
to STEWART DRAYAGE LINES, a corpo-
ration, and to issue stock.

Application No. 51411
(Filed October 8, 1969)

ORDER EXTENDING TIME

Harold S. Scott by Decision No. 76349 in the above entitled proceeding was authorized to transfer to Stewart Drayage Lines his intrastate operative rights on or before December 31, 1969.

It appears that similar authority to transfer the interstate rights may not be received from the Interstate Commerce Commission in time to permit compliance with Decision No. 76349 as it is desired to transfer the intrastate and interstate rights to the transferee corporation simultaneously, therefore,

IT IS ORDERED that ordering paragraphs 1 and 2 of Decision No. 76349 are amended by striking the phrase, "December 31, 1969" and substituting therefor the date, "February 28, 1970".

Dated at San Francisco, California, this 22nd
day of DECEMBER, 1969.
