Case No. 8690
(Filed September 20, 1967)

SUPPLEMENTAL ORDER

The Pacific Telephone and Telegraph Company filed a letter
December 31, 1969, requesting modification of the report requirement

in Ordering Paragraph No. 5 of Decision No. 74917, from monthly reports to quarterly reports as to the progress of the program until completion thereof at no later date than December 31, 1971.

The Commission having considered such request and having determined it appears reasonable and should be granted, therefore,

IT IS ORDERED that Ordering Paragraph No. 5 of Decision No. 74917, under the above-entitled application and cases, is amended to read as follows:

The Pacific Telephone and Telegraph Company and all affected respondents in Case 8609 shall forthwith establish extended service, in lieu of toll and multi-message unit service, over all routes (1) between Pacific's exchanges and/or district areas and (2) between Pacific's and said respondents' exchanges and/or district areas, where the toll route mileage of such routes is eight miles or less. Beginning April 1, 1970, Pacific shall present to this Commission quarterly reports as to the progress of such program until completion thereof at no later date than December 31, 1971. Such extended service shall be established with rates and charges therefor in accordance with the rate pattern set forth in Table 2B of Exhibit No. 92-A in this proceeding.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California this 10th day of
FEBRUARY, 1970.
