In the Matter of the Investigation)	Case No. 7857

of Minimum Rate Tariff No. 14.)	Amended July 24, 1969)

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 76775 dated February 10, 1970, in the above proceeding, the Commission granted increases in the minimum rates named in Minimum Rate Tariff No. 14-A for the statewide transportation of oilseeds by for-hire highway carriers. Such increased minimum rates are scheduled to become effective March 21, 1970.

Through inadvertence, certain rates were not increased to reflect the authority granted by Decision No. 76775, supra.¹

In the circumstances, it appears, and the Commission finds, that the necessary corrections should be made by the order herein. A public hearing is not necessary. The Commission concludes that Minimum Rate Tariff No. 14-A should be amended accordingly.

¹
The 45-mile rate is indicated as 12 cents when it should be 11 3/4 cents and the 200-mile rate is shown as 30 cents when it should be 29 3/4 cents.

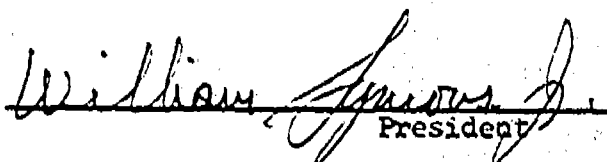

IT IS ORDERED that:

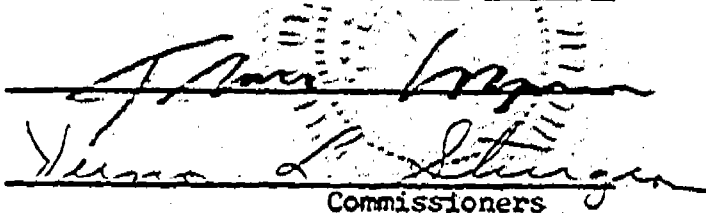

1. Minimum Rate Tariff No. 14-A (Appendix A to Decision No. 67397, as amended) is hereby further amended by incorporating therein, to become effective March 21, 1970, Third Revised Page 34, attached hereto and made a part hereof.
2. Tariff publications required to be made by common carriers as a result of the order herein shall be filed not earlier than the effective date of this order and may be made effective not earlier than the tenth day after the effective date of this order on not less than ten days' notice to the Commission and to the public and such tariff publications shall be made effective not later than March 21, 1970.
3. Common carriers, in establishing and maintaining the rates authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the rates published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

4. In all other respects, Decision No. 67397, as amended, shall remain in full force and effect.

This order shall become effective March 6, 1970.

Dated at San Francisco, California, this 20th day of February, 1970.
