Case No. 9008

ORDER GRANTING PETITION
FOR LEAVE TO INTERVENE

The Commission's staff has petitioned for leave to intervene in and become a party to the above-entitled proceeding with all the rights of the named parties therein, and has submitted that such participation will not in any way broaden the issues presented in the complaint and will assist the Commission in making a just determination thereof (Revised Rules of Procedure, Rule 53).

Upon consideration of the petition we find that:

1. Said petition was duly served and filed on February 18, 1970, at least five days before the return date, February 25, 1970, of the Order to Show Cause and Temporary Restraining Order herein (Decision No. 76782, dated February 10, 1970).

2. Petitioner's averments are reasonably pertinent to the issues already presented, but do not unduly broaden them.

Therefore, IT IS ORDERED that:

1. Petitioner may intervene in and become a party to the proceeding herein with all the rights of the named parties thereto, including the right to present evidence and argument upon the issues raised by the complaint herein.

2. The degree, indicated in paragraph 1, above, to which petitioner is thereby allowed to intervene in and become a party to this proceeding, shall be subject to such modifications as may be ordered, for good cause shown, by the presiding officer at the hearing.

Dated at San Francisco, California, this
27th day of FEBRUARY, 1970.
