ORDER EXTENDING TIME

The County of Ventura has requested that the authority granted by Decision No. 75330 for the improvement of the Pleasant Valley Road grade crossing, No. E-411.8, on Southern Pacific Transportation Company's Coast Route be extended. County funds originally committed for this project now appear insufficient and the project is being rebudgeted for the fiscal year 1970-71.

IT IS ORDERED that the time within which to widen and improve Crossing No. E-411.8 as set forth in Decision No. 75330 is hereby extended to March 10, 1971.

In all other respects, Decision No. 75330 shall remain in full force and effect.

Dated at San Francisco, California, this 17th day of MARCH, 1970.
